

Ideas

Simple

- ☐ Color-coded cards
- ☐ Due dates
- ☐ Card counter: number of cards on the list
- ☐ List reordering (draggable lists)
- ☐ Card search: simple filtering of card by title

Intermediate

- ☐ Card labels: multiple labels/tags can be added to a card
- ☐ Card comments, showing the count of comments on a card
- ☐ Save the board state in Local Storage

Advanced

- ☐ Creating lists: create another modal to create a new list on the board
- ☐ Multiple boards: create, edit and switch boards
- ☐ Activity log: track all changes to a card
